

WILLIAM JOHN DAVROS, Ph.D., ABMP(D)
National Physics Consultants, Ltd.

EDUCATION:

1984 - 1987	University of Wisconsin, Madison, WI	Ph.D. Medical Physics
1981 - 1984	University of Wisconsin, Madison, WI	M.S. Medical Physics
1977 - 1981	Hope College, Holland, MI	B.A. Physics

EXPERIENCE:

2014 - present	Medical Physicist, National Physics Consultants, Mentor, OH
2011 - 2014	Senior Staff Physicist, Medical Physics Section, Cleveland Clinic
2008 - present	Adjunct Professor of Radiology, George Washington University
2008 - present	Adjunct Professor of Biomedical Engineering, Cleveland State University, Cleveland, OH
2003 - present	Adjunct Faculty, Cleveland State University Physics Department.
1998 - 2011	Section Head and Founder, Diagnostic Clinical Medical Physics, Division of Diagnostic Radiology, Cleveland Clinic
1993 - 1998	Staff Physicist, Division of Diagnostic Radiology, Cleveland Clinic
1991 - 1993	Guest Lecturer, Department of Radiology, Walter Reed Army Medical Center, Washington, DC.
1989 - 1993	Assistant Professor of Radiology, Department of Radiology, Division of Body Imaging, Georgetown University
1987 - 1989	Assistant Professor of Radiology, Department of Radiology, Division of Imaging Physics, Georgetown University
1987 - 2001	Retained Physics Consultant to Nuclear Associates, Carle Place, NY.
1986 -1987	Product Development and ultrasound Physicist, Radiation Measurements Inc., Middleton, WI.
1984 - 1986	Consulting Physicist, Radiation Measurements Inc., Middleton, WI.
1983 - 1984	Product Specialist, Radiation Measurements Inc., Middleton, WI.
1982 - 1985	Research Assistant, University of Wisconsin
1981 - 1982	Quality Assurance Physicist, University of Wisconsin Hospital,

CERTIFICATIONS:

1996	American Board of Medical Physics (ABMP) Diagnostic Medical Imaging
2001	American Board of Radiology (ABR) Diagnostic Imaging Letter of Equivalence
2002	Ohio Department of Health Certified Radiation Expert Diagnostic Imaging other than Mammography

PUBLICATIONS AND INVITED LECTURES:

“Seventy-three peer reviewed publications.”
“Co-author of two books.”
“Written five book chapters.”
“One hundred-forty invitations to lectures and seminars.”
